Please bring any x-rays or insurance information with you to your appointment.

## PLEASE READ | IMPORTANT INFORMATION

- Your first appointment may be a consultation to determine your specific treatment needs.
- Please bring a list of ALL your medications and dosages.
- Minors (<18 years old) MUST be accompanied by a guardian for both consultation and procedure.
- Nothing to eat or drink for 8 hours prior to sedation or general anesthesia.
- Take your usual prescribed medications with a small sip of water if directed.
- Patients with asthma, please bring your inhaler with you to the appointment.
- A ride must be present and able to take care of the patient for 12 hours following sedation.
- DO wear loose fitting clothes, short sleeves, and flat shoes; do NOT wear jewelry, artificial nails, or nail polish.
